# Luxurious SPA

Comfort you can afford

*Your free time  
matter to us*

# Sabbia

---

Energy regeneration, body resting. The tempting treatment will take you away from everyday life and allow for a moment of wonderful relaxation.

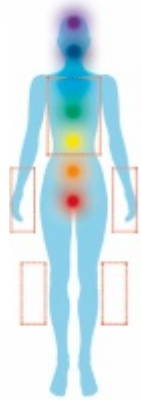

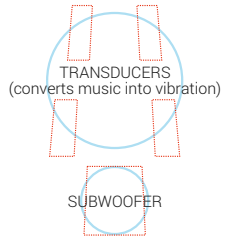

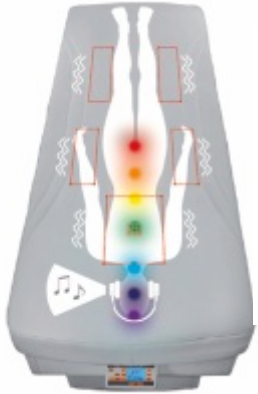

# Vivaldi

---

Music as the fulfillment of every feeling, relaxes and stimulates your senses. Comfort during the treatment will provide a heated massage bed.

*Welcome to the magical world  
where beauty and relaxation  
will liberate your senses*

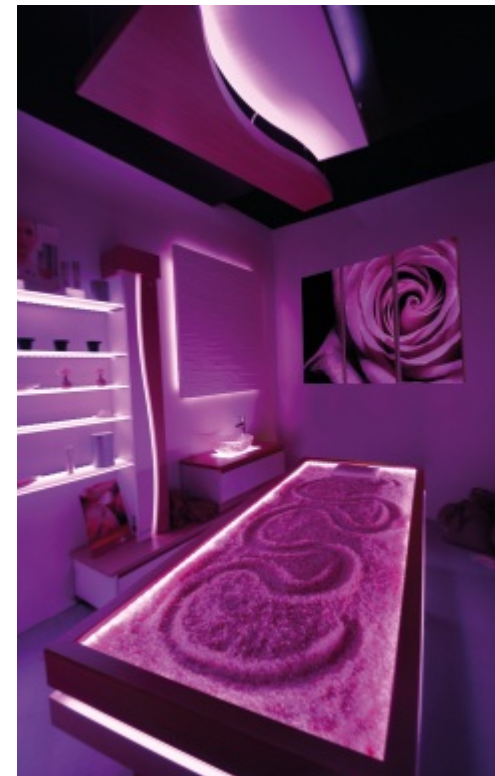

# Equilibrium

---

The highest quality SPA beds, which have unique appearance, give you the opportunity to experience bliss, relaxation and tranquility.

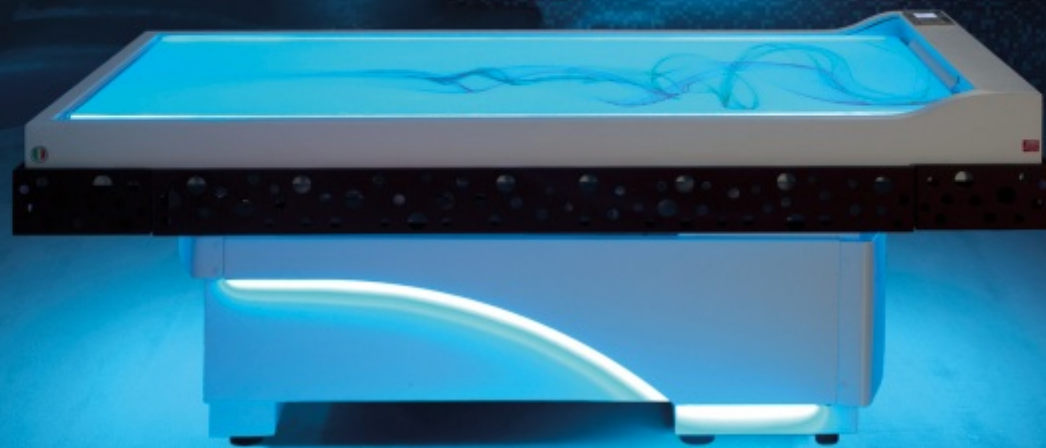

# Lympha

---

Thanks to our products you are able to overcome stress and negative emotions. You will be in a state of deep relaxation and regain your inner balance.

*There are places where you just  
have to get away and relax  
from everything*

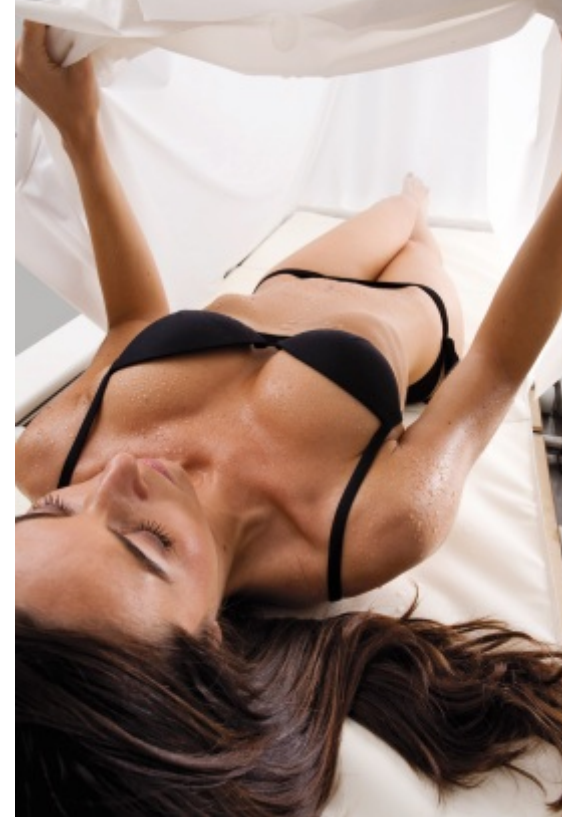

*Deep cleansing, smoothing  
and firming - bring back your skin  
looking young*

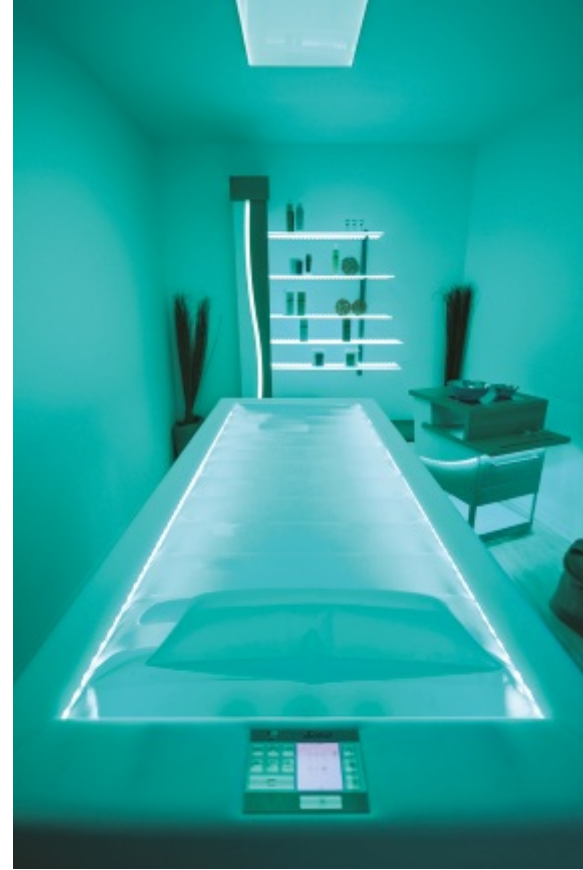

# Acua

---

Heat and relaxation. Rebuild your body before another challenge.

# Senso

---

Thanks to the wave function of the sea shore you will move to a tropical beach where the heat breeze will caress your body.

*Luxury SPA helps to achieve  
balance of body, spirit and mind*

*Take care of your body  
and appearance, enter the world  
of beauty and harmony*

# Balnea

---

Increase your immunity, improve blood circulation,  
strengthen and stimulate your body.

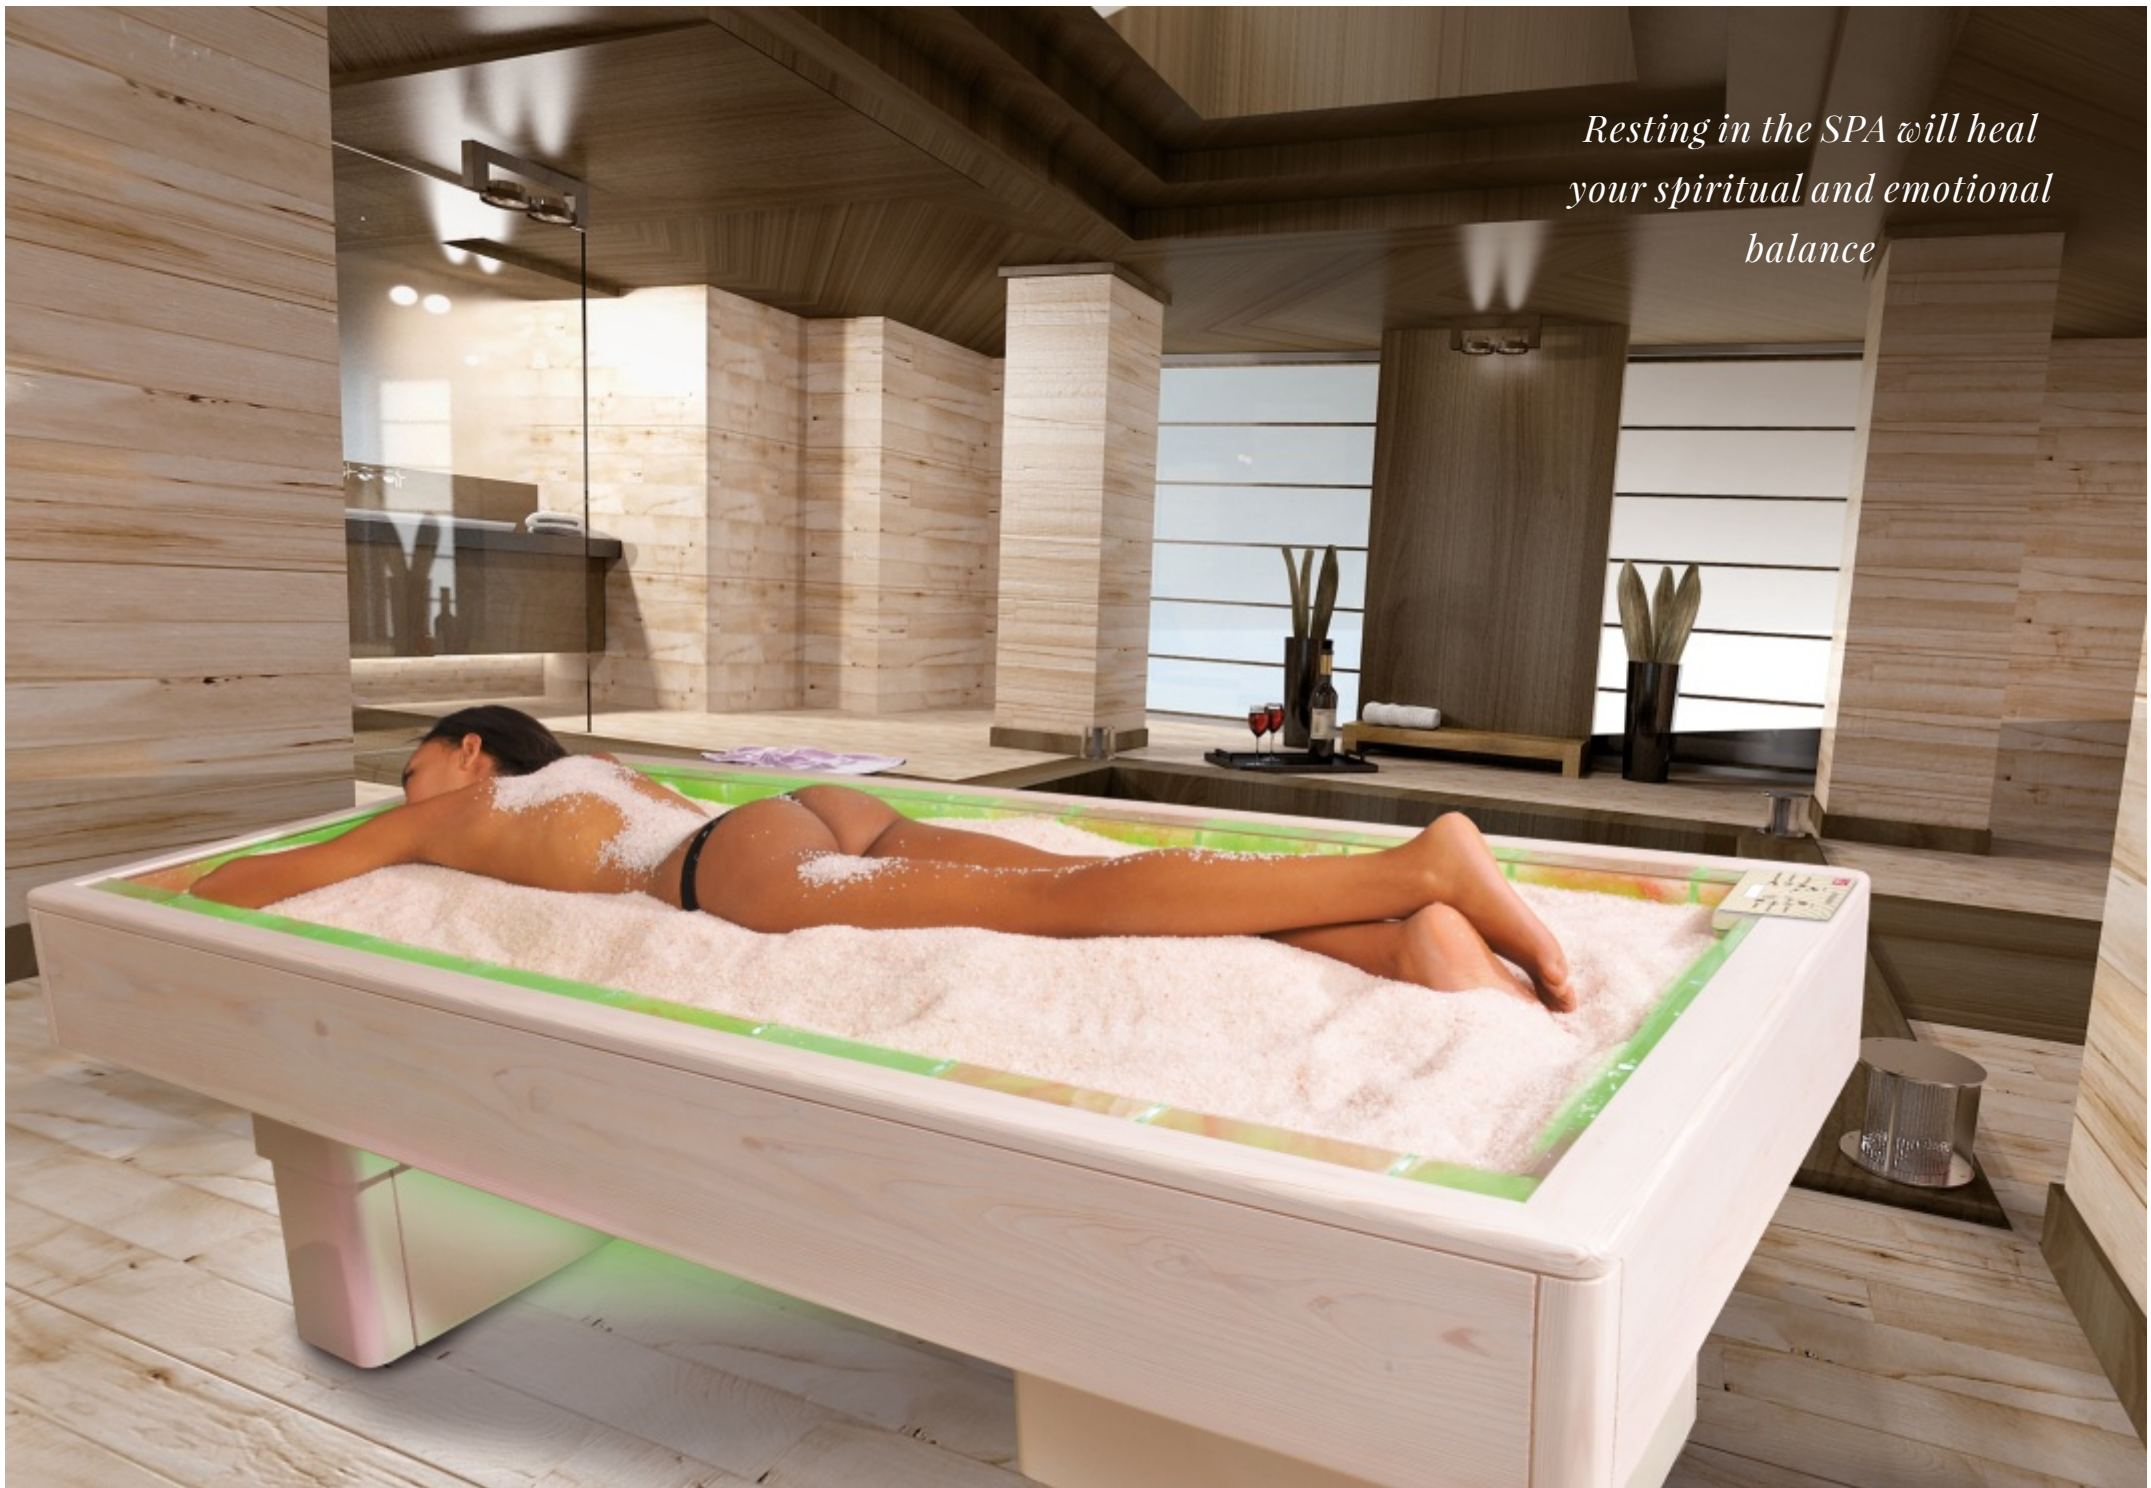

# Crystal

---

Free afternoon?  
Sometimes tiredness overwhelms us,  
then work to the side – it is relax time.

*Resting in the SPA will heal  
your spiritual and emotional  
balance*

*The cosy interior allows  
for deep relaxation  
and regeneration*

# Elysium

---

While relaxing and having a massage,  
savor every minute, find your asylum,  
regenerate your vital strength.

*Beauty and luxury within  
reach of your hand*

# Note

---

After a long day relax with your favorite book or music.

# Flag

---

Mute your body and mind with new ideas,  
dreams and plans for the future.

*Follow the body in a state  
of relaxation immersed  
in colour*

*Let us take care of your  
balance and healthy body*

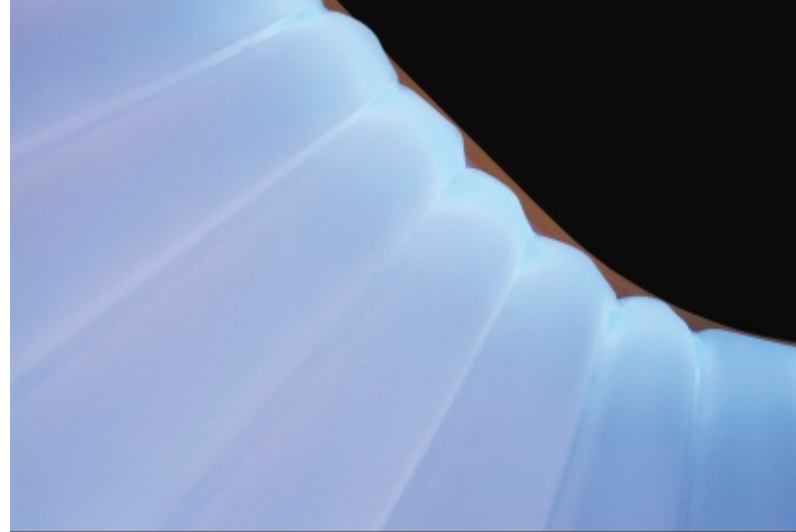

# Arcus

---

Ergonomic couches will stimulate your blood circulation.

# Spot

---

Chromotherapy - color therapy. It improves mood and well-being. It works on body and spirit.

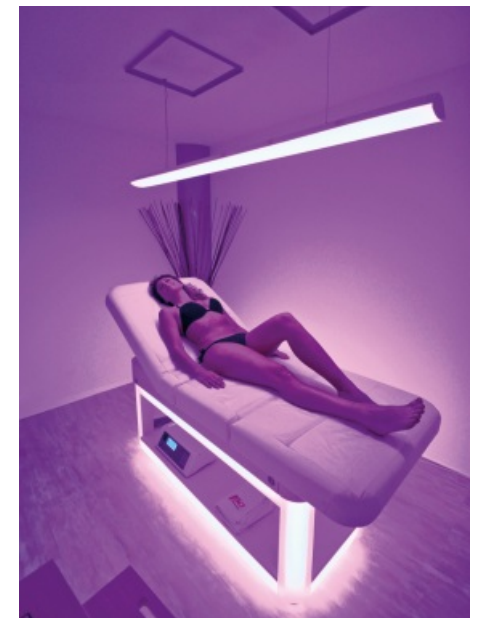

# Lumina

—  
Be more comfortable.

Lumina  
Senso  
Spot  
Corner Lux

---

# Calido

---

Soothing treatment for the body and senses with warm, heated towels and cosmetics. The cooling function contrasts the experience.

*Relaxation strengthens your body,  
prolongs youth  
and affects well-being*

# Cube

---

Inhalation of salt will relax and make you rest.  
Breathe deeply.

# Salis

---

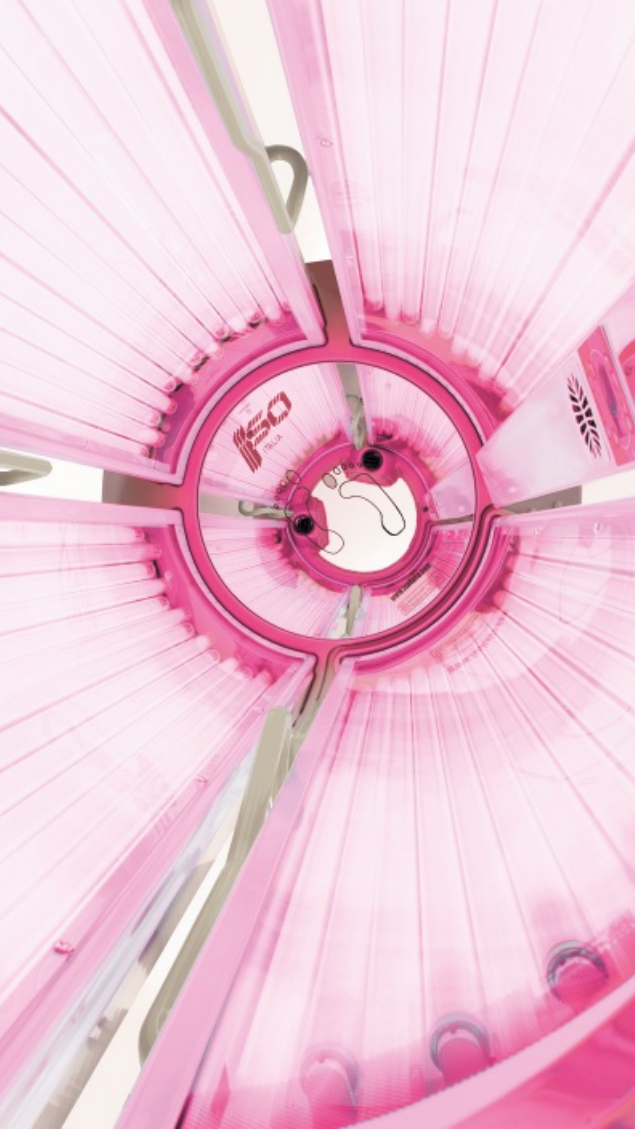

Relax in the salt fog. Feel like in a dream seaside resort.

*Fulfill the dream of a beautiful,  
firm and healthy body*

# Bella

---

Rebuild the vitality of your skin  
with collagen baths.

# Scic

---

Unique combination of relaxing massage  
with body rejuvenation.

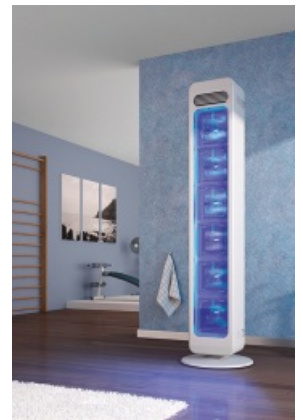

# Luxo

---

Gentle pigmentation of your body will stimulate the production of D3 vitamin and give a healthy look to your skin.
